SKILLS

- HTML
- CSS
- JAVASCRIPT
- TAILWIND CSS
- SQL

CERTIFICATES

SQL (Great Learning) (Proficient in SQL queries, data manipulation, and database operations through completion of Great Learning's intensive course.)

HTML(Great Learning) (Proficient in HTML coding and web development fundamentals, certified by Great Learning.)

PROJECTS

Weather app using HTML CSS & JavaScript

- I have Created a user-friendly weather application using HTML, CSS, and JavaScript, offering real-time weather information retrieval for any global location. Key features included location search, dynamic weather display, unit conversion, responsive design, and robust error handling.
- I have Utilized external Weather API integration to provide accurate and up-to-date weather data.

DICE ROLL GAME USING HTML CSS AND JAVASCRIPT

- I have created a dice roll game. it is a simple web project that uses HTML, CSS, and JavaScript. In this project, we create a virtual dice with a visual representation, such as a cube or square, and use JavaScript to generate random numbers when a user interacts with the "Roll" button. The numbers are then displayed as the result of the dice roll.

Razorpay Clone Website using HTML, Tailwind CSS

- clone website using HTML and Tailwind CSS, replicating key functionalities of the original payment gateway. Implemented secure payment processing

ACHIEVEMENT

Smart India Hackathon (Organiser) Organized and executed Smart India Hackathon, overseeing logistics, volunteer teams, and technical support. Facilitated partnerships and promoted the event, resulting in a diverse participant pool. Managed judging processes, collected feedback, and contributed to successful editions, honing leadership and project management skills

WORK EXPERIENCE

WEB DEVELOPER (INTERN)

SINFOLIX TECHNOLOGY

10/2023 – 01/2024

In this internship, I Gain hands-on experience in building modern web applications using HTML, CSS, and JavaScript. I have collaborated with experienced developers on real-world projects, contributing to design, development, and testing.
